Current Prayer Concerns

- Lord, help us to seek truth today – to find it in places and people we wouldn’t otherwise notice. Teach us that in truth there is wisdom and understanding. May seeking truth help us overcome our fears and frustrations.
- Lord, You are Truth. Help us to know truth when we see it; learn truth when we are taught it; love truth, and live truth.
- Pray for all those affected by the devastating flooding. Let us be generous to those who have lost everything and helpful to those who need assistance in cleaning up.
- Pray for those who are going through personal difficulties. Help them to trust God’s plan.
- Pray for families as they travel and spend time together on vacation. Give them all safety.
- Pray for those who have recently lost a loved one. Give them the comfort and support they need.
- Pray for those who are lonely – may we reach out to find ways to be kind or spend time with someone who needs a friend.
- Don’t be afraid to share your struggles! We can find support when we share our needs.
- Be with those who are feeling the stress and burn-out from their work – give them rest in their time off and a renewed sense of purpose.
- Pray for conflicts around the world that all can live in peace and security.
