### *Current Prayer Concerns*

- May we be filled with love for each other that reflects your love for us.
- Life is so complicated, busy and chaotic. But amid the mess, give us the strength and courage to see people, places, things and events through Your lens. Guide us and change us, oh God. Give us Your heart for others and the world around us. Each and every day, help us to see, through Your eyes, the truth of what is, what has been and what will one day come.
- Pray for those who have lost loved ones and are struggling with grief and loss.
- Pray for those who battle depression and anxiety – may they feel God's peace.
- Pray for peace and unity in our nation and world.
- Pray for those battling colds and flu – may they get the rest they need and get better.
- Pray for those in our church family who are absent from us during the winter months – may they enjoy warmer climates and return refreshed!
