- From the results of the advisory vote (66% to leave the RCA and 34% to stay), the consistory feels that we need to look into all the options regarding the future of the Archer Reformed church. Of the many options available, one would include staying with the RCA. There needs to be a majority of 75% in favor of leaving from both the consistory and the congregation before we can proceed with the option to leave. Going forward, the consistory will look more closely at some of the non-RCA options as well as collecting some of the data and forms needed if we do choose to leave the RCA.
- Camp Season is around the corner! Reminder that the church will pay 100% of single day, ½ week camp, and normal all week camp at Inspiration Hills.
