Current Prayer Concerns

- May we be filled with love for each other that reflects your love for us.
- Your love is not easily angered. Let us be slow to anger and rich in love for each other. Your love keeps no record of wrongs, let us be quick to forgive each other. Your love rejoices in truth, let us be honest with each other. Your love always protects, let us protect each other. May we love each other in the same way we have been loved by you.
- Pray for discernment and unity as our congregation makes decisions regarding our affiliation with the RCA.
- Pray for those who have lost loved ones and are struggling with grief and loss – we think especially of the Wagenaar and DeKok families.
- Pray for perseverance for battling through a long winter. We think especially of those who have to work in the elements. Keep them safe.
- Pray for peace and unity in our nation and world.
- Pray for our community meals that we may continue to spread Christ's love to our community.
- Pray for those battling colds and flu – may they get the rest they need and get better.
